**AIRPORT CELEBRATES FIRST YEAR OF ALLEGiant AIR SERVICE
25,290 Passengers Recorded**

CASPER, WY – Casper / Natrona County International Airport will celebrate the first year of Allegiant Air service on Saturday, September 19th. Since the initiation of the only all-jet, nonstop service to Las Vegas in Wyoming, a total of 25,290 passengers have taken advantage of Allegiant's brand of low-fare service. "I said a year ago that the convenience of flying out of Casper and having direct service to one of our most popular destinations was going to be great for Wyoming, and it truly has been," said Glenn Januska, Airport Manager. "Those 25,290 passengers represent a 587% increase in Las Vegas passengers compared to the preceding year."

Allegiant operates two weekly flights between Casper/Natrona County International Airport and McCarran International Airport (Las Vegas), with service Thursdays and Sundays. Flights depart Casper at 9:25 p.m. arriving in Las Vegas at 10:25 p.m. Flights leaving Las Vegas depart at 5:50 p.m., arriving in Casper at 8:45 p.m. (all flight times are local).
