**AIRPORT HOLDS SPECULATIVE HANGAR OPEN HOUSE**

CASPER, WY – Casper / Natrona County International Airport announced that it will hold an open house Monday, August 1<sup>st</sup> between 10:00 am and 11:00 am for members of the media and others for the newly completed speculative hangar, 9000 Bill Sullivan Drive. The project was funded with \$2,578,000 in Wyoming Business Council Community Readiness funds, \$242,000 in Airport funds, and \$380,000 in Airport in-kind contributions. The hangar was constructed in response to, and in anticipation of aviation business leads. The building was designed with flexibility to accommodate aircraft storage, aircraft manufacturing, and/or aircraft maintenance. It includes:

- 100' x 100' steel frame, insulated, 32' walls.
- 2,000 square foot attached office/admin space, steel frame, 14' insulated walls, unfinished.
- Steel siding with wainscot.
- 24' x 80' single hinge, hydraulically operated hangar door.
- 14' x 16' high overhead vehicle door in hangar area.
- Interior mezzanine for storage with segregated parts room.
- 7.5 ton underhung, double girder bridge crane.
- HVAC floor heat and forced air.
- 480 volt, 3 phase, 400 amp electrical service.
- Fire sprinkler system in hangar and office.
- Audible/visual fire alarm system.

- Compressed air system for air tools.
- LED lighting throughout.
- 44 stall off-street parking.
- Fiber optic cable to building.

To access the hangar, take Airport Boulevard toward the terminal building. Continue on Aviation Boulevard beyond the terminal and turn right on Bill Sullivan Drive.
