AIRPORT RECORDS A 10.4% INCREASE IN PASSENGERS IN SEPTEMBER

CASPER, WY – Casper / Natrona County International Airport announced that 8,594 enplaned passengers (passengers getting on aircraft) used the Airport in September, a 10.4% increase compared to September of 2014. “Our September passenger number was certainly helped by the Allegiant Air service to Las Vegas, the first September they have flown out of Casper since 2009,” said Glenn Januska, Airport Director.
