AIRPORT RECORDS 104,402 PASSENGER ENPLANEMENTS IN 2015

CASPER, WY – Casper / Natrona County International Airport announced that 104,402 enplaned passengers (passengers getting on aircraft) used the Airport in 2015, a 0.7% decrease compared to 2014. The 104,402 passenger number, eclipsing the 100,000 threshold for the third year in a row, is something that has not happened since 1987 when the Airport reported 108,270 total passengers. “We’re excited to have exceeded the 100,000 passenger mark again this year,” said Glenn Januska, Airport Director. “Our monthly passenger numbers in 2015 showed some good months, and not so good months. With the changes in the energy industry, 2016 could be challenging.”
