AIRPORT RECORDS 97,585 PASSENGER ENPLANEMENTS IN 2017

CASPER, WY – Casper / Natrona County International Airport announced that 97,585 enplaned passengers (passengers getting on aircraft) used the Airport in 2017, a 4.8% increase compared to 2016. “We’re excited to see an increase in passengers this year compared to last,” said Glenn Januska, Airport Director. “January and February were down months, and considering we didn’t have Allegiant in the fall this year where we did last year, the increase for the year I believe really shows a strengthening economy.”
