**CASPER/NATRONA COUNTY INTERNATIONAL AIRPORT'S  
APPLICATION TO EXPAND FOREIGN TRADE ZONE (FTZ) 157 APPROVED**

CASPER, WY – Casper/Natrona County International Airport announced today that its application to expand FTZ 157 has been approved by the United States Department of Commerce Foreign Trade Zones Board. The expanded zone now includes land located adjacent to and northeast of the Airport at 6 Mile Road and Morgan Street including land owned by Bishop Industrial Ranch, LLC, Casper Logistics Hub, and C/NCIA. “By expanding the zone to include the recent development around CTRAN we expect the zone to become much more active,” said Glenn Januska, Airport Manager. “On top of the improvements made around CTRAN, we are making improvements in and around our business park and the infrastructure leading to the CTRAN site such as reconstructing Morgan Street, the primary business park entrance.
