**Enhanced Delta Flight Schedule Makes Flying
From Casper Even Better!**

CASPER, WY – Casper / Natrona County International Airport is pleased to announce that starting March 2, 2018, SkyWest Airlines, operating as Delta Connection, will introduce an enhanced flight schedule for flights to and from Salt Lake City. With the new schedule, passengers will enjoy early morning and late evening flights that make it easier and more convenient to fly wherever they want to go!

“Currently, the first Delta flight departs out of Salt Lake City and flies to Casper, and returns to Salt Lake City,” said Glenn Januska, Airport Director. “That happens twice a day, so the aircraft always ends up back in Salt Lake City. With this change, the last Delta flight of the day arrives in Casper at 6:21 pm, which will be the first outbound flight to Salt Lake City the next day. We think this change will be particularly popular with business travelers, providing a better chance to conduct business in a single business day.”

Departure Airport	Departure Time	Arrival Airport	Arrival Time
CPR	6:20 am	SLC	7:46 am
SLC	9:45 am	CPR	11:18 am
CPR	11:45 am	SLC	1:08 pm
SLC	5:00 pm	CPR	6:21 pm

The new flight schedule is specifically designed to provide both business and leisure travelers with access to hundreds of daily flights to nearly 150 nonstop destinations from Salt Lake City (SLC). All Delta Connection flights from Casper to SLC are onboard the Bombardier-manufactured Canadair Regional Jet 200 (CRJ200) and will be operated by SkyWest Airlines.

Customers may book their flights today at delta.com or by calling Delta reservations at 800.221.1212. Remember, the best fares are always available at delta.com.
