AIRPORT ANNOUNCES SUMMER TRAVEL TIPS

CASPER, WY – Natrona County International Airport (NCIA) officials announce four simple tips for the busy summer travel period:

- Arrive at the Airport 60 minutes prior to your flight departure;
- Check in at least 30 minutes before your flight or you will not be permitted to board the aircraft;
- Check with TSA (www.tsa.gov) before you pack if you have any questions on what can be brought onboard an aircraft; and
- If you are picking up someone at the Airport, go to the Airport's website, www.iflycasper.com, to check on flight status.

"If everyone follows these tips when they are flying, it will make flying out of Natrona County International Airport a lot more pleasant," said Glenn Januska, Airport Manager. "On behalf of all of us at the Airport, we hope everyone has a safe and pleasant trip."
