UNITED TO ADD CRJ-700 AIRCRAFT TO DEN IN FEBRUARY

CASPER, WY – Casper / Natrona County International Airport announced that GoJet Airlines will begin flying, on behalf of United Airlines, 70 passenger Bombardier CRJ700 aircraft between Casper and Denver starting February 15, 2017. “While the schedule fluctuates a bit, it looks like we will have three CRJ700 aircraft and one EMB145 aircraft flying daily,” said Glenn Januska, Airport Director. “What is really exciting will be multiple classes of seats on these aircraft, and while we won’t see an increase in the number of daily flights, we will be seeing an increase in the number of available seats.”
